

ISTANBUL ACCOUNTANTS

Accounting - Tax – Audit –Legal -Advisory

Okan Bagimsiz Denetim Yeminli Mali Musavirlik A.S. (Registered Company)

We are experienced, English speaker, Chartered Accountants / Registered Auditors and providing company set-up, tax, bookkeeping, auditing, advisory and legal services in Istanbul, Turkey since 1997.

We can **advise** you on setting up structures **to suit your particular goals**. We are flexible and keep bureaucracy to a minimum **taking advantage** of the latest developments in legislation.

We **monitor our charges** to ensure we are always competitively priced and ensure we **minimize** your maintenance **costs**. We offer **free** initial consultations and do not charge for general consultancy in addition to your fixed price service.

Our **strategy** is founded on a basic principle: **success** in our business will come through the consistent delivery of quality, value and service to our clients. It's not a strategy about being the biggest or having the widest range of services, it's about doing what we do consistently well.

Our outlook is different; straight talking, fast moving with a focus and attention that delivers consistent client care a traditional firm with a modern outlook.

It goes without saying that we work towards the best possible commercial outcome for our clients. But **excellence** is about more than that. We set the **highest standards** in every area of our business, from the big things like putting together a bespoke team every time, right down to the smaller details like how **promptly** we reply to emails.

One of our most distinctive traits is our practical **approach** to our job is we enjoy **cutting** to the **chase** and getting things done. We work actively alongside our clients, helping to translate their commercial **objectives into reality**. It's not about presenting countless arguments for and against, but providing focused advice that makes a **tangible difference**.

Our clients know that we are **'always available'** for them, and enjoy direct points of contact with their designated **contact partners**. We keep our clients **informed** of progress and plans so they know exactly where, when and how their requirements are being met.

To better serve the growing domestic and international needs of our clientele, we are in association with International Networks.

We provide a service designed to help you achieve your goals as fast as possible.

*As a firm of professional accountants specializing in the needs of the international business community we can provide or arrange any of the **services**.*
